

With Compliments-

PLEASE READ- IMPORTANT

We have left you a hamper containing food for this week.

We will continue to do this until school closes in July.

If your child is timetabled to attend school every day, hamper deliveries will stop and your child will be fed as normal at school.

If your child is timetabled to attend school for less than a full week, we will deliver the hampers as before to enable you to make a packed lunch on the days they do attend, unless you tell us otherwise.

Vouchers for the summer holidays.

The last hamper delivery will be on July 13th. After that, vouchers will be issued for you to spend in local supermarkets. **Please make sure** that we have your email address. If you are not sure if we have your email address, send us an email on admin@watermillschool.co.uk

Vouchers will be worth £15 per week. If you are not sure how to spend the voucher (around one third of the vouchers issued at Easter still haven't been spent) email the admin account for support.

For the latest information from school,

- Download the Watermill School app.
- To contact us please ring the school on 01782 883737 between 9:30am and 2:00pm, or email us on admin@watermillschool.co.uk
